## PROFILE

As an experienced Skipper/Master, reliability and quality are paramount in my services. I am flexible as master or crew. After obtaining my SMBW diploma, I am still working on completing my 360 sailing days, after which I can sail independently as a Master 500GT Near Coastal Voyages (International). Since 2017, I gained a lot of experience with CTV and Survey work in the offshore. On behalf of third parties (companies & owners), I also provide practical sailing training and deliveries of motor yachts throughout Europe.
